Congratulation from CALA President

Congratulations CALA! We are excited to celebrate CALA's 50th anniversary with you! As a member of CALA for over 10 years, it is an honor to be serving as CALA President 2022-2023. We recognize so many CALA leaders and members who have volunteered their time and commitment to support CALA over the past 5 decades. The late Dr. Tze-Chung Li, founder of CALA in 1973, shared his purpose in forming CALA, "we have the strength to develop and promote librarianship for Chinese Americans in the United States." We have come a long way since 1973 and I am looking forward to growing CALA together. Thank you all for your support!

--Ray Pun (CALA President 2022-2023)
