Are you a member of NASIG? (Required; student membership is free)

Yes X No       

The NASIG Mentoring Program requires a one year commitment of participation from mentees. This year's program will run from August 2023 to May 2024. Will you be able to commit to this timeframe?

Yes X No       

*See the program description for specifics about program participation.*

Why do you want to be mentored? What would be your expectations of this program?

I am the first in my family to go away to college. Being mentored by someone who has already gone through grad school will be supremely beneficial. I'm also not yet sure what type of information specialty I'd like to focus on. Having access to a mentor with job experience in the field will give me great insight into daily duties, and will help me decide on my own focus. Mostly, I'd appreciate any advice and knowledge passed on by people more experienced than me.

Please list any other relevant areas of interest that are not mentioned above.

I am currently a preschool teacher, so I'm interested in children's programming. I'm also passionate about literacy, and access to books. Overall, I am willing to learn anything and everything. I love to learn

Would you like to be mentored on research and publication?

Yes

No

Is there any other information that you would like to add to this application?

I was just hired at College Library at UW Madison as a REFSA. As such, I will also be mentored by the head librarians there. They specialize in working with undergrads, and diversity and inclusion. So, if I could be mentored by someone in a different area of expertise, I would appreciate the diversity.

**Please email your completed application by June 30, 2023 to [mentoring@nasig.org](mailto:mentoring@nasig.org)**

By submitting this form you acknowledge that you will actively participate in the program, will strive to be respectful and constructive in all communication.
