The NASIG Mentoring Program requires a one year commitment of participation from mentees. This year's program will run from August 2023 to May 2024. Will you be able to commit to this timeframe?

Yes

No \_\_\_\_\_

*See the program description for specifics about program participation.*

Why do you want to be mentored? What would be your expectations of this program?

I want to figure out the place I can occupy in LIS fields. I am beginning to struggle with understanding my current path, and as such am looking into the opportunities that are possibly attainable. I also understand the close nature that exists and want to begin developing professional/personal business relationships.
